Navigating the Maze

TECHNIQUES AND OUTCOMES OF ATRIAL FIBRILLATION ABLATION

Join us for a dynamic and exciting academic program focused on the latest techniques and outcomes for Atrial Fibrillation Management.

Led by Program Director Dr. Manuel Castellà and a leading multidisciplinary international faculty, the program will feature specific cardiac surgery and minimally invasive hybrid AF therapies through engaging presentations, live surgeries, interactive discussions, and Q&A.

Register now on www.AFConnect.eu

Venue: Hospital Clínic de Barcelona

Carrer Villarroel 170, 08036, Barcelona, Spain
